## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year at Plantersville Elementary has been a year of setting higher expectations and of everyone working together to meet goals to ensure that our students received the best education possible. Plantersville Elementary again met AYP in 2007 and was recognized by the SC Department of Education for closing the achievement gap for historically underachieving students. As a Title I school, we continue to focus on early detection and assistance for children by providing all-day Pre-K classes, Extended Day opportunities, daily computer lab time, parenting and family programs, regular parent conferences, and staff development opportunities for our teachers.

One of our major goals for this year was to increase the number of students doing proficient and advanced level work, both in their classrooms and on test performance. We collected, analyzed, and used data to identify and plan for needed changes in the instructional program. All of our students in kindergarten through fifth grade took the MAP tests in the Fall, Winter, and Spring of the year. One of our initiatives was to hold individual student data conferences. Another initiative started this year was to hold Saturday School as a PACT preparation for students in grades 3-5. Students used Success Maker and Study Island computer programs to work on the academic skill areas they needed to improve.

We also emphasized writing this year by implementing W.O.W (Writing on Wednesdays), where the entire school focused on a predetermined writing prompt. Everyday Math was implemented in Pre-K through third grades. Weekly reward incentives were provided for students who demonstrated they were working at the proficient or advanced level in their classrooms. Another school-wide incentive to prepare for PACT testing was provided for our students with a field trip to the beach at Huntington State Park. Incentives were also provided for the high achievers on Study Island and Accelerated Reader. Parent and community involvement has also been a vital part of our successful school year. We saw increased attendance and participation at each PTO and SIC meeting.
